WHY JOIN A SNOWMOBILE CLUB? Because you like to snowmobile or your business can help those who do and you want to see it thrive. **Without you, this will not happen!**

Our snowmobile club needs you! Clubs create and maintain trails. Our income is from **Grant In Aid (GIA)** (funds from licenses and non-refunded gas taxes - processed through the DNR), some **Charitable Gambling** that our club handles, and through **your membership**. Our workers are mostly volunteers. Usually, there is a shortage of money and volunteers.

As a member of our club, you and your customers get great trails! You will also receive our periodic newsletter and you are invited to join us for club meetings (the first and third Tuesday of each month) and club events. For club events we pick from our commercial members first and support them as they do us.

Club members are like shareholders - they are the owners of the club. **You** can support our club by becoming a member for \$75 a year. Through your club you can also join MNUSA for an additional \$50 and be listed in their publications under business supporter section. *If you are currently a MNUSA member, please enter your member number found on one of their publications.*_____

Thank you in advance for your membership and welcome to our club. Lets hope for a great riding season and feel free to attend any meeting you wish to.

Sincerely,
Cook Timberwolves Snowmobile Club, Inc.
